The Commonwealth of Massachusetts
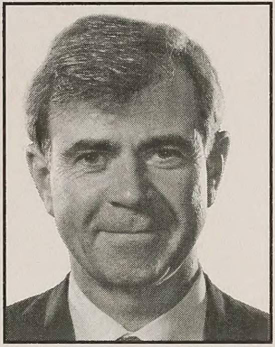
William Francis Galvin, Secretary of the Commonwealth

To the Reader,

The decisions voters make affect public policy for years to come. Also, making election results accessible is important.



Therefore, I am pleased to present this publication of election results with an easy to read format of combining the primary and election results on the same page.

In addition to the 2010 state primary and general election results, this book contains combined tables of enrollment, registration, and turnout for each community in the Commonwealth, as well as percentage calculations for statewide offices and statewide ballot questions.

After the primary and election, each community sends to the Secretary of the Commonwealth an official report detailing how many votes were cast for each candidate for each office and every question on the ballot. This publication is then prepared from these results.

Write-ins and sticker votes are consolidated and listed under "all others." Only those candidates who won or made signifigant impact are listed by name.

I'm always looking for ideas to improve the way elections are conducted and the manner results are reported in Massachusetts, including the format of this publication. I would be happy to have any suggestions you may wish to offer. I hope that this volume will be easy for you to use.

Sincerely,

William Francis Galvin

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would repeal an existing state law that allows a qualified organization wishing to build government-subsidized housing that includes low- or moderate-income units to apply for a single comprehensive permit from a city or town's zoning board of appeals (ZBA), instead of separate permits from each local agency or official having jurisdiction over any aspect of the proposed housing. The repeal would take effect on January 1, 2011, but would not stop or otherwise affect any proposed housing that had already received both a comprehensive permit and a building permit for at least one unit.

Under the existing law, the ZBA holds a public hearing on the application and considers the recommendations of local agencies and officials. The ZBA may grant a comprehensive permit that may include conditions or requirements concerning the height, site plan, size, shape, or building materials of the housing. Persons aggrieved by the ZBA's decision to grant a permit may appeal it to a court. If the ZBA denies the permit or grants it with conditions or requirements that make the housing uneconomic to build or to operate, the applicant may appeal to the state Housing Appeals Committee (HAC).

After a hearing, if the HAC rules that the ZBA's denial of a comprehensive permit was unreasonable and not consistent with local needs, the HAC orders the ZBA to issue the permit. If the HAC rules that the ZBA's decision issuing a comprehensive permit with conditions or requirements made the housing uneconomic to build or operate and was not consistent with local needs, the HAC orders the ZBA to modify or remove any such condition or requirement so as to make the proposal no longer uneconomic. The HAC cannot order the ZBA to issue any permit that would allow the housing to fall below minimum safety standards or site plan requirements. If the HAC rules that the ZBA's action was consistent with local needs, the HAC must uphold it even if it made the housing uneconomic. The HAC's decision is subject to review in the courts.

A condition or requirement makes housing "uneconomic" if it would prevent a public agency or non-profit organization from building or operating the housing except at a financial loss, or it would prevent a limited dividend organization from building or operating the housing without a reasonable return on its investment.

A ZBA's decision is "consistent with local needs" if it applies requirements that are reasonable in view of the regional need for low- and moderate-income housing and the number of low-income persons in the city or town, as well as the need to protect health and safety, promote better site and building design, and preserve open space, if those requirements are applied as equally as possible to both subsidized and unsubsidized housing. Requirements are considered "consistent with local needs" if more than 10% of the city or town's housing units are low- or moderate-income units or if such units are on sites making up at least 1.5% of the total private land zoned for residential, commercial, or industrial use in the city or town. Requirements are also considered "consistent with local needs" if the application would result, in any one calendar year, in beginning construction of low- or moderate-income housing on sites making up more than 0.3% of the total private land zoned for residential, commercial, or industrial use in the city or town, or on ten acres, whichever is larger.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would repeal the state law allowing the issuance of a single comprehensive permit to build housing that includes low- or moderate-income units.

A NO VOTE would make no change in the state law allowing issuance of such a comprehensive permit.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

SUMMARY

This proposed law would reduce the state sales and use tax rates (which were 6.25% as of September 2009) to 3% as of January 1, 2011. It would make the same reduction in the rate used to determine the amount to be deposited with the state Commissioner of Revenue by non-resident building contractors as security for the payment of sales and use tax on tangible personal property used in carrying out their contracts.

The proposed law provides that if the 3% rates would not produce enough revenues to satisfy any lawful pledge of sales and use tax revenues in connection with any bond, note, or other contractual obligation, then the rates would instead be reduced to the lowest level allowed by law.

The proposed law would not affect the collection of moneys due the Commonwealth for sales, storage, use or other consumption of tangible personal property or services occurring before January 1, 2011.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state sales and use tax rates to 3%.

A NO VOTE would make no change in the state sales and use tax rates.

SUMMARY

Sections 3 through 7 of Chapter 44B of the General Laws, also known as the Community Preservation Act (the "Act"), establish a dedicated funding source to enable cities and towns to (1) acquire open space which includes land for park and recreational uses and the protection of public drinking water sources and supplies, watershed land, marshes and wetlands, farm land, fields, forests, beaches, river, stream, lake and pond frontage, scenic areas, wildlife preserves and other conservation areas, (2) acquire and restore historic buildings and sites, and (3) create affordable housing.

A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in the surcharge.

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Massachusetts Community Preservation Act, establishes a dedicated funding source to acquire and preserve open space, parks and conservation land, protect public drinking water supplies, and scenic areas, protect farm land and forests from future development, restore and preserve historic properties, and help meet local families' housing needs. In Gosnold, the Massachusetts Community Preservation Act will be funded by an additional excise of 1.5% on the annual tax levy on real property to be assessed beginning in fiscal year 2012, and by matching funds provided by the state. The Town Meeting may also vote to accept one or more of the following exemptions from the surcharge, permitted under §3(e) of said Act: (i) property owned and occupied as a domicile by any person who qualifies for low income housing or low or moderate income senior housing in the Town, as defined in §2 of said Act; (ii) class three, commercial, and class four, industrial, properties as defined in G.L. c.59, §2A; and (iii) $100,000 of the value of each taxable parcel of residential real property. Any other taxpayer receiving an exemption of real property authorized by Chapter 59 of the General Laws shall be exempt from said Act. A Community Preservation Committee will annually make recommendations on the use of the funds to the Town Meeting.

QUESTION 4

Shall licenses be granted in this town for the sale of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages) to be drunk on the premises of restaurants?

SUMMARY

The Legislature has enacted and the Governor has signed Chapter 330 of the Acts and Resolves of 2010 which would permit the licensing of restaurants in the Town of Pepperell to serve all alcoholic beverages, including distilled spirits, for consumption on the premises. Such licenses would be issued by the Board of Selectmen as licensing authority subject to the approval of the Alcoholic Beverages Control Commission. Currently, licenses for consumption on the premises of alcoholic beverages are limited to wine and malt beverages. A yes vote on this question would allow the issuance to restaurants of licenses for service of all alcoholic beverages for consumption on the premises. A no vote would maintain the current limitations on issuance of licenses to wine and malt beverages only.
